Mr. Steve Katsaris

Dear Steve:

Just a short note to let you know I saw Maria yesterday during my visit to Jonestown. She appeared well and, in fact, assisted me in completing a number of applications of members for various Consular services. Since this was probably my last visit to the community, I arranged to have her designated as the primary Consulate contact at the mission.

Maria asked whether I had heard from you. I replied, yes that you wanted her to know should she decide to return to the United States there would always be a ticket ready for her. She then just smiled. I was not completely specific in my reply as there were other members of the organization within hearing. However, I am sure she understood my meaning.

Please accept my best wishes.

Sincerely,

Richard A. Mc Coy
American Consul
